Winter Storage & Service includes:

\$299

Premium Storage for 2 wheel motorcycles

- Storage for seven (7) months (October 1, 2022-April 30, 2023)
- Climate controlled environment
- Clean, dry, heated and fully secured facilities
- Safety recall and product program verification and/or completion
- 32 point inspection and systems check
- Pressurize tires to prevent flat spots
- Check charging system
- Fog cylinders
- Hand Wash
- Stabilize fuel, must be at least 3/4 full*
- Provide future maintenance recommendations
- Reset tire and suspension air pressure in the Spring
- Charge and maintain battery**
- Spring Prep prior to Pick Up
- Free Storage for work orders \$1200 or more[^]

This winter is a great time for performance upgrades to your bike like the new 128 or 131 cu engine upgrade or installing the new Rockford Fosgate premium stereo system - and be ready to ride next spring!

\$449 = Premium Storage for all 3-wheeled motorcycles

*Must arrive with 3/4 tank of gas. VLHD will not top off gas tank.

**Despite maintenance in the winter, a battery may still become bad by spring, typically due to age

Ensure saddlebags and storage compartments are as empty as possible

[^]\$1200 work orders must be initiated during the winter storage period. Storage must be paid and will be applied to the work order at completion.

Reserve Your Space Today! 320-251-6980

Some storage may be off site in a clean, dry, heated and secure facility.
